WHY INVEST?

ABUNDANT, UNTAPPED OPPORTUNITIES

“Working on a project of this magnitude is not without its challenges, but we’re blessed here with an unparalleled mountain setting, ideal skiing conditions, and one of the most charming communities in the Columbia’s. This truly is a once-in-a-generation opportunity.”

Paul Skelton, Investor, Revelstoke Mountain Resort

BUSINESS-FRIENDLY CLIMATE

“The community was helpful in providing us with information and made it clear that they were open for business. The council and staff have been cooperative in helping expand our facilities to become a full service electrical provider.”

Mario DiBella, Investor, Martech Electrical Systems Ltd.

COST COMPETITIVE

“The move to this vibrant mountain community has proven more successful than we ever expected, reducing overhead and living costs while rewarding our employees with a combination of ‘big city’ career and unbeatable lifestyle.”

Dr. David Paetkau, Investor, Wildlife Genetics International

QUALITY OF LIFE

“Working on a project here is incredible. You can meet with your accountants in the morning, have lunch with clients, and then go biking with your lawyer in the afternoon.”

Jeff Pensiero, Investor, Baldface Lodge

FAMILY FRIENDLY COMMUNITIES

“Small city – big community. Our friendly, welcoming neighbourhoods and our clean, safe environment provide the perfect setting to start your new life. Centrally located and perfectly situated for trade movement. Welcome home!”

Audrey Maxell-Polovnikoff, Former Executive Director, Castlegar and District Chamber of Commerce
